COMPANY PROFILE

The bottom of the page features four horizontal bars of varying shades of gray, stacked vertically.

ABOUT US

Unique Interbuild always offers their customized projects by developing a complete designing solution for all their projects. With a winning combination of excellent engineers, top notch quality of raw materials, all within the given budget and on time delivery, **Unique Interbuild** plans to be the market leader that delivers on promise.

ABOUT US

Unique Interbuild is a firm founded by a dynamic entrepreneur, Mr. Paresh Rane. A Mumbai based contracting firm, Unique Interbuild was established in 2004 and since then has made steady strides towards growth and success.

With technical and engineering know-how extending to various projects, offices and townships, the enterprise is known for its commitment to quality, design and its clients.

Befitting its success, Unique Interbuild, a proprietorship venture, is now looking towards becoming a Private Limited Firm.

VISION

Our endeavor for excellence in our ever broadening range of services, innovative technologies in keeping with market trends and assurance towards customer satisfaction and care.

MISSION

Our mission exemplifies our work ethics, our code of conduct towards our customers, our adherence to stringent practices, transparent business practices and meritorious performance.
